L&T Hyderabad Metro Rail's 3 Additional Metro Stations Awarded IGBC Platinum Rating

- *Durgam Cheruvu, Punjagutta, and LB Nagar Received IGBC Green MRTS Certification - Platinum Rating*
- *With this ranking 23 stations of Hyderabad Metro Rail are now IGBC Platinum Rated under the Elevated Stations Category*

Hyderabad, 20 October 2022: As a leader of green and clean Urban Mass Rapid Transit Systems in Hyderabad, the World's Greenest City, L&T Hyderabad Metro Rail has been awarded **IGBC Green MRTS Certification** with the **highest Platinum Rating** under Elevated Stations Category for its 3 additional metro stations - **Durgam Cheruvu** (Corridor 3, Blue Line – Nagole to Raidurg), **Punjagutta** and **LB Nagar** (both on Corridor 1, Red Line – LB Nagar to Miyapur). This was announced today during the 3-day the Indian Green Building Council (IGBC) Green Building Congress 2022, which is being organised by the IGBC at HICC Novotel at Hi Tech City in Hyderabad. **Mr. KVB Reddy**, MD & CEO, L&TMRHL received the IGBC Platinum Certificate for the three stations at the IGBC Projects Award ceremony organised as part of the IGBC Green Building Congress 2022. **With this Hyderabad Metro Rail has 23 metro stations certified with the IGBC Platinum rating.**

This certification is part of the Indian Green Building Council (IGBC) Green Mass Rapid Transit System (MRTS) rating to encourage green concepts in the design, construction & operation of all new Rail based MRTS projects.

Speaking on this recognition, **Mr. KVB Reddy**, MD & CEO, L&T Metro Rail (Hyderabad) Limited, said, ***“We are thrilled to receive IGBC Platinum Rating for our 3 additional metro stations. We are grateful to IGBC for auditing the metro stations and validating our efforts to develop green infrastructure in line with our commitment to providing a sustainable mode of the mass transportation system. This achievement resonates with the green commitment of the City of Hyderabad, which was recently accorded the World Green City Award.”***

IGBC Green Mass Rapid Transit System (MRTS) Rating system is a tool to enable a new rail-based MRTS to apply green concepts during design & construction, so as to further reduce environmental impacts that are measurable. The overarching objective of the IGBC Green MRTS Rating is to ensure environmental sustainability while enhancing the commuter experience.

About L&T Metro Rail (Hyderabad) Limited:

L&T Metro Rail (Hyderabad) Limited is a subsidiary of Larsen & Toubro. - L&T Metro Rail (Hyderabad) Limited ("The Company") to implement the Project on Design, Built, Finance Operate and Transfer (DBFOT) basis. The Company signed the Concession Agreement with the then Government of Andhra Pradesh on September 4, 2010 and completed the financial closure for the Project on March 1, 2011 in a record period of six months. A consortium of 10 banks led by State Bank of India has sanctioned the entire debt requirement of the project. This is the largest fund tie-up in India for a non-power infrastructure Public Private Partnership (PPP) project
