L&T METRO RAIL WINS RAILWAY SAFETY EXCELLENCE AWARD OF THE YEAR

L&T Metro Rail (Hyderabad) Limited (L&TMRHL) is delighted to announce that it has been honoured with the **Railway Safety Excellence Award of the Year** at the prestigious **ET (Economic Times) Infra Rail Show 2025**, held on 13th June 2025 in New Delhi.

The **ET Infra Rail Awards**, hosted by The Economic Times, celebrate the most impactful contributions in India's rail and metro infrastructure sector. Recognising leadership in safety, sustainability, technology, digital innovation, and urban connectivity, this platform acknowledges institutions that are reshaping the future of rail-based mobility in the country.

This national recognition is a proud milestone for **Hyderabad Metro Rail** and a true reflection of its unwavering commitment to delivering safe, reliable, and world-class urban transit solutions. Competing against leading metro systems across the country, **Hyderabad Metro Rail** stood out for its strategic focus on commuter safety, integrated risk management, and technological innovation.

On receiving the award, **Mr. KVB Reddy**, MD & CEO, L&TMRHL, stated, *"This recognition is not just a celebration of our achievements, but a reminder of the responsibility we carry in shaping the future of urban mobility. At L&TMRHL, safety is not a milestone—it is a mindset that guides every decision, every innovation, and every journey we enable. Awards like these reaffirm our belief that purposeful partnerships and unwavering dedication can redefine how India moves."*

Mr. KVB Reddy, shared his expertise in the panel discussion **"Future of Urban Rail & Smart Stations – Transforming Urban Mobility,"** sharing L&TMRHL's vision for next-gen transit. He highlighted how technology, commuter-centric services, and continuous improvement have driven Hyderabad Metro's excellence in punctuality, safety, and reliability.

Addressing PPP challenges like delayed clearances and financial uncertainties, he emphasized the need for strong policy support and equitable risk-sharing, while advocating for greater public-private collaboration to drive innovation and sustainable infrastructure growth.
